

SETAC – AP 2018

The 11th Society of Environmental
Toxicology and Chemistry Asia-Pacific
September 16(Sun) ~ 19(Wed), 2018 / EXCO, Daegu

Dear Sponsor/Exhibitor

The Society of Environmental Toxicology and Chemistry and its worldwide membership invite you to be a sponsor and/or an exhibitor at our congress, September 16-19, 2018 at the renowned EXCO in Daegu, Korea. Attendance is expected to be well over 500 persons including scientists, assessors, regulators and managers from government, industry, and academia.

Why attend the Society of Environmental Toxicology and Chemistry Asia-Pacific 2018 Conference? Because SETAC Asia-Pacific 2018 Conference in Daegu is a major networking and learning opportunity for academics, students, regulators in government, and consultants in business.

This is a unique opportunity to expand your network and meet with a wide range of people sharing similar interests and responsibilities from the Asia-Pacific region and the rest of the world. It is an opportunity to get updated on the latest scientific advances and trends.

The conference attracts a diverse group of experts from academia, industry, and government under the main theme of “Data, Science, and Management Promoting Environmental Welfare”. Sessions related with traditional and emerging issues of environmental toxicology and chemistry will be offered and abstracts are vetted for appropriateness and quality.

This prospectus contains specific information for decision making on whether to become a Sponsor, Exhibitor or both. But please don't delay. We will be assigning booths on a FIRST COME, FIRST SERVED, basis with first courtesy to our sponsors.

We are sure that this is not to be missed opportunity to inform your company to the customer from all over the world.

We look forward to seeing you in Daegu September, 2018!
